EWG16/15 ENVIRONMENTAL PROJECTS

Orders had been placed for the works to the pillars and the arch at Ocean View Horseshoe Steps and fabrication work would commence the following week then sent to be galvanised owing to the exposed location.

Councillor Peden and the Town Clerk had met on site with the contractor Smith and Sons to consider the installation of sleepers to retain the planting areas. The estimate was now available and acceptable although clarification was required to achieve two levels for planting. The County Council had the order for the agreed planting scheme following completion of the weed treatment.

AGREED: that the order for installation of the sleepers be placed with Smith and Sons amounting to £2,400.00.

EWG17/15 ENHANCED SERVICES 2015

The Town Clerk had been advised of another change in management of the local services with John Croyle taking over that week. Arrangements would be made to meet with Neighbourhood Services officers to consider current arrangements.
