

COUNCIL 20 JUNE 2018**1 WAR MEMORIAL – LISTED BUILDING CONSENT**

The County Planning Department requires both a Pre-Application and the submission of an application for Listed Building Consent in respect of the minor cleaning and repair work which has been agreed for the Colliery War Memorial.

It is RECOMMENDED that the Town Council submit the necessary Pre-Application and Application for Listed Building Consent to the County Council.

2 REVIEW OF STANDING ORDERS

2.1 The National Association of Local Councils has recently issued revised model Standing Orders which are not significantly changed although the number of pages has increased from 15 to 26. They have been updated to incorporate references to new legislation which while not strictly necessary is a useful reference point. The majority of the 26 Standing Orders are discretionary and capable of local amendment or omission and only those in bold include the statutory references and requirements but are not exhaustive.

2.2 I have considered the detail and attach at Appendix 1 draft Standing Orders omitting the alternatives and those matters relating to smaller authorities and tailored slightly to our local operations.

It is RECOMMENDED that the Town Council adopt the Standing Orders set out in Appendix 1.

3 PROMENADE LITTER BINS

3.1 This item was deferred at the last meeting and the original report is reproduced together with further information.

3.2 Over the past four years the Town Council has undertaken a programme of litter bin replacement around the bay and throughout the town in consultation with Northumberland County Council Neighbourhood Services the statutory authority for litter collection and cleansing.

3.3 At the previous meeting a motion was considered to 'Set in place a bin replacement programme on the Promenade to be completed from the Town Improvement budget in the financial year 2018/19'. This part was deferred for consideration at a future meeting pending more information on cost implications and discussions with Neighbourhood Services.

3.4 As the department responsible for litter collection and bin emptying, on behalf of the statutory authority Northumberland County Council, Neighbourhood Services has expressed concerns over two issues if the blue wheelie bins are replaced along the promenade:

1) Capacity - this has been shown to be right now after being more than doubled less than 4 years ago. Significantly more bins will be required to achieve the right capacity. Take away litter blocks capacity of traditional bins leading to overflowing.

2) Operational difficulties - specific vehicle and team used for promenade emptying with custom hoist for tipping which is time and cost efficient. Change of vehicle and collection service would require extra resources and reduce service elsewhere in town.

3.5 On the question of cost that would be dependant on the type and number of new bins required around the bay to achieve the same capacity and the relative removal and installation costs at each location.

3.6. I met with the Neighbourhood Services Area Manager and the Operational Manager for the Newbiggin area and they have confirmed that the capacity along the Bay is right now with a twice weekly collection occasionally supplemented by the Enhancement Team when they are passing for other work. Bank Holiday weekends recently have shown a further increase in capacity required in the Quay Wall area where takeaway wrappings quickly fill the bins.

3.7 Following the removal of some post-mounted bins and assessing litter collection Neighbourhood Services has confirmed that standard ground bins are required at Cleveland; Collingwood; High St/Rustic Tce; Melrose Tce; Milburn Park; connecting paths to Spital Estate; Sports Centre field; Woodhorn Lane. The black bins at the Church Point Car Park and headland are left over from Wansbeck days and if the Town Council wants to replace them plus the twelve bins and installation as above then a budget of £4,000 is suggested.

3.8 The Environmental Working Group will be looking at some of the detail and I will update the meeting verbally.

It is RECOMMENDED that the Town Council consider further these matters relating to litter bins around the Bay and the town.

4 ENVIRONMENTAL ENFORCEMENT PARTNERSHIP

4.1 An approach has been made to jointly fund and operate an Environmental Enforcement Officer with Seaton Valley and Lynemouth Parish Councils. Both have met this month and confirmed agreement to proceed funding 2 days each. That leaves the Town Council with the option to fund one day per week at a cost of £8,000 per annum and I have circulated to Members the Business Case from the Public Protection Manager.

4.2 There are perennial problems with dog fouling; litter; fly tipping with little visibility from the County-wide service which appears well stretched. I understand that both Ashington and Blyth are already operating full-time enforcement operations.

4.3 There is no specific budget allocation for an enforcement service so if Council is minded to proceed then it would need to decide which budget to meet the initial costs from or allocate from balances.

It is RECOMMENDED that the Town Council consider the possible partnership arrangements.

5 CHRISTMAS TREE PROVISION

The Newbiggin Traders Association has provided the Christmas Tree installed in the Quay Wall Piazza each of the last eight years while the Town Council has made the arrangements for it to be decorated with the lights along with the motifs throughout the town. It has been indicated that the Traders would like the Town Council to take over provision of the tree in future. The Town Council already pays for the lights and installation and there is a budget to cover the arrangements for seasonal lighting

It is RECOMMENDED that the Town Council agrees to incorporate the acquisition and installation of a suitable Christmas Tree as part of the seasonal lighting arrangements.
